

# teepee

Social Media Marketing wasn't  
made for **real people**.

So we built something that is.

---

COLLABS MADE EASY.

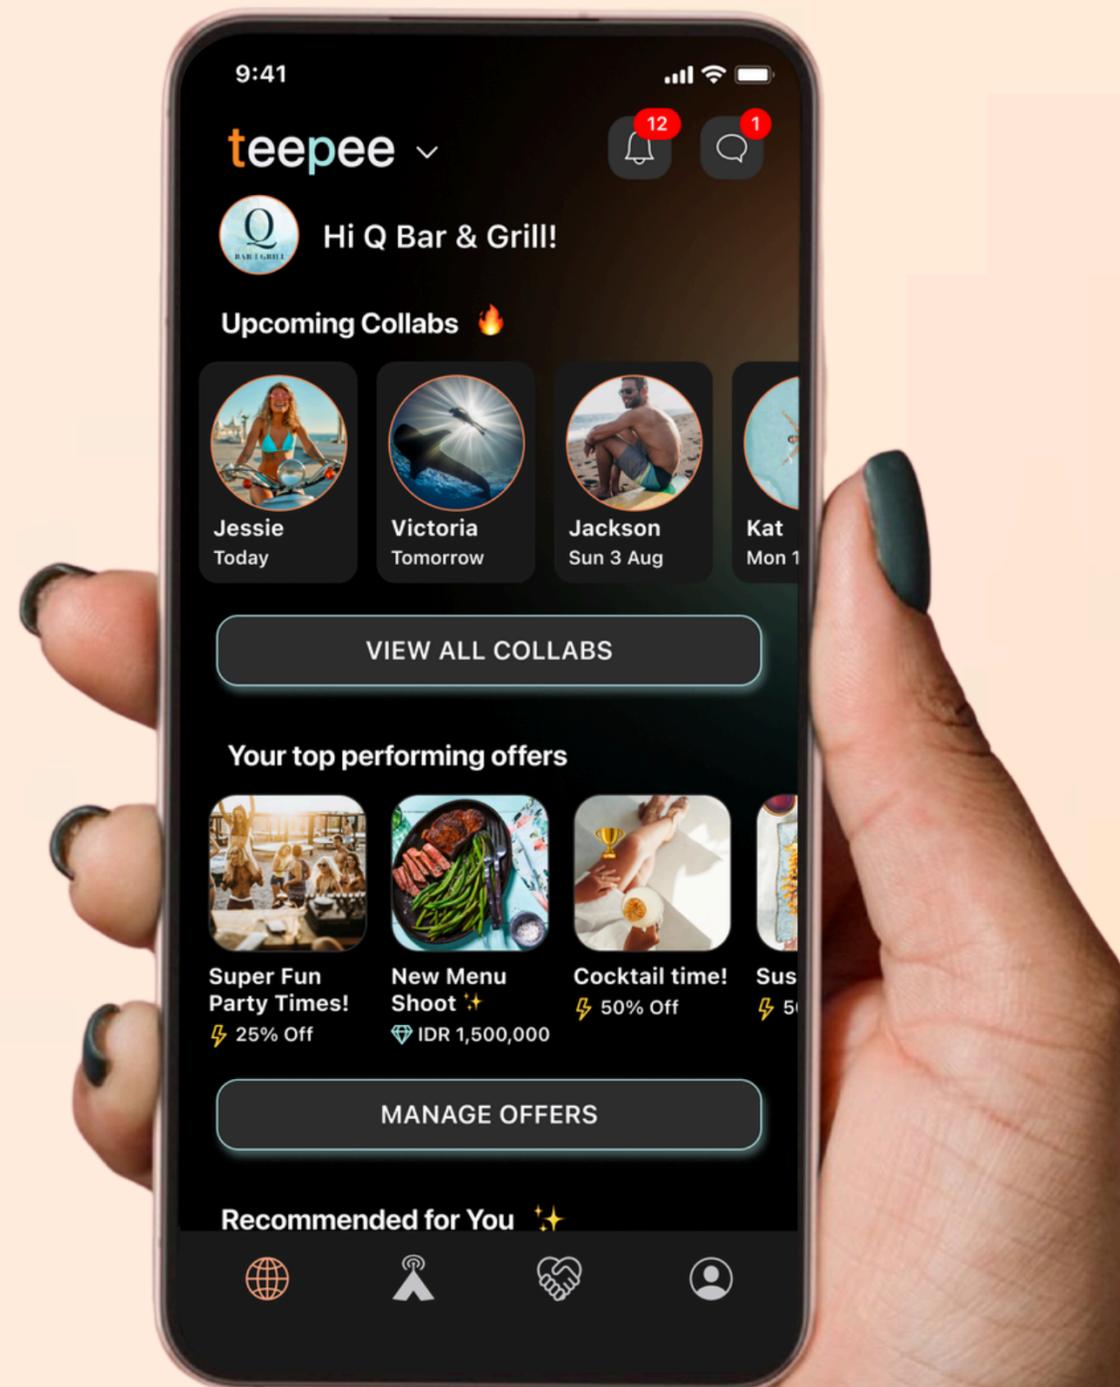

# THE CONTENT IS THERE. THE **STRUCTURE** ISN'T.

Over **97% of social media users** don't identify as creators. Yet they post, share and drive traffic daily.

But when it comes to collaborations, there's no structure. Searching, pitching, negotiating, following up...

It's chaotic, time-consuming and exhausting. So most creators and businesses don't even try.

**Teepee is the missing layer,** a marketing tool to turn content into collaboration, increase **brand awareness** and build your community.

For an **easier way to run creator collabs** or just to **bring more people through the door,** join teepee and say goodbye to cold outreach and endless negotiations!

# IN A WORLD OF COLLAB CHAOS, WE BRING THE **INFRASTRUCTURE**

## **1. Tailor and target your offers**

## **2. Creators plan ahead & claim or apply**

Creators explore offers they're eligible for, claim or apply depending on your offer type, then visit your venue and enjoy the experience.

## **3. View and rate content**

Creators post content and upload links to teepee, for you to view and rate the creator. Everything is tracked and saved in one place, your collab PA!
